Former Resident and Dedicated Individual Receives another Accolade

George P. Guertin who served the town of North Branford in more than one capacity while living here has been awarded the "Best of Awards 2022 in his position as Law Firm Winner in the North Haven Community where he now practices Law and lives with his wife Rosemary. His practice is dedicated to Estate Planning, ElderLaw, and Probate Administration.

While living in North Branford, George served on the Town Council, also being elected as Deputy Mayor, and worked evenings (6pm-2am) part time as a police officer keeping our town safe. While doing all of this community service, he applied for and was accepted to the University of Connecticut, School of Law. He attended Law School evenings allowing him to work days at AT&T and travel around the country serving their clients.

After finishing Law School, George continued working for AT&T during the days and he would practice Law during the evening hours and on weekends. This could not last forever. George decided to retire from the phone company and strictly work on the law that he really enjoyed. Thirty years later he is still practicing law from

his office in North Haven. The Law is constantly changing and it is important to keep learning about all of the changes.

Since he started practicing Law in Connecticut he has also qualified to practice in Massachusetts and (the best yet), in 2007 he and his wife traveled to Washington, D.C. and he was sworn in to practice before the Supreme Court of the United States.

While that was his best moment in his career, I guess that the next best moment recently occurred when his firm (Guertin and Guertin, LLC) was named Best of Awards 2022 (Best Law Firm by the North Haven Citizen newspaper). This was totally unexpected since there are over 100 lawyers serving the North Haven area.

Attorney Guertin offers Fire Fighters, Police Officers, Veterans, and their spouses a discount on services provided.

When clients or friends ask him "well you are getting older, when to you expect to retire?" George's answer is always "I expect to retire six months after I die"

Ringing out the Season with Help from their Friends

The North Branford High School field hockey team was recently recognized at the Board of Education meeting. Coaches and players were awarded rings for winning the State Championship.

The rings were purchased in part with a \$2000. donation from the North Branford Education Foundation.

Pictured with the team are left: Principal Todd Stoeffler, with Joya Dolzani and Cathy Slubowski, representing the Ed Foundation.

To the right of the team is Assistant Principal Mr. Gwudz and Superintendent of Schools Scott Schoonmaker.

NBHS Athletic Hall of Fame Class of 2022

Due to COVID, the North Branford High School Athletic Hall of Fame was unable to induct any new members since 2019. On August 14, 2022 the next group of inductees will be honored at Millpond Gathering in Northford.

Coach Floyd Parness will be inducted posthumously. He was an extremely caring and dedicated man who was truly devoted to all of the student-athletes that he coached in cross country, indoor track, and outdoor track & field.

The 1981 girls Field Hockey team won its first State Championship in 1 981. Their coach, Miss Nuhn, and the team will be honored for this achievement. These girls set the standards for the future teams and success has been consistently repeated, most recently this fall when they won another State title.

Individuals that will be inducted include: **Rhonda Mautte** graduated in 1975 after an outstanding athletic career. She played basketball for 4 years and as a captain, helped instill an exceptional work ethic attitude. The team won the school's first-ever State Championship in 1976. Rhonda was also exceptional as a track athlete. She set many records in running and jumping events.

In 1978 **Beth Anderson** graduated after completing her very impressive athletic career. She ran cross country, competed in gymnastics and ran track. She set many school records and was instrumental in helping the cross country team win State title in 1977.

Bobby Wells graduated in 1996 then attended Curry College where he continued to compete in football. In high school he was an All-Area and All-State football player and also demonstrated his athletic ability on the baseball field.

Another exceptional athlete being recognized is **Matt Barbaro** who graduated in

2002. His work ethic, dedication, and skills all contributed to his personal success and he was rewarded by being named as an All-State football player for 3 years.

Karl Derbacher was an All-Area baseball player for 3 years and was named as an All-State player as a junior & senior. He was also honored as the "Player of the Year" for the Shoreline Conference. He graduated in 2005.

Samantha Scavo won the Steve Lenzi Award for the most outstanding female athlete in the senior class in 2009. Coaches recognized her work ethic and dedication as well as her outstanding skills. She was an aggressive field hockey player who received All-Conference and All-State honors. On the basketball court she was an exceptional shooter and was able to score over 1,000 career points.

We hope that you will save the date and help recognize and honor these outstanding people who have contributed so much to North Branford High School athletics.

Please send end in your reservation form as soon as possible. The banquet fa-

cility will only be able to accommodate 200 guests.

Reservation forms will be available by June 14th.

Thanks to all involved **Dear Editor:**

I would like to extend my appreciation to all those involved in helping make the 2022 Memorial Day Parade a success. There was a great turn out and such perfect weather! A special thanks to Mark Abelli for his stage presence as master of ceremonies, Michael Paulhus, Anthony Esposito, Bill Savastano, Public Works and the North Branford Police Department.

To all the participants, thank you for such a successful event. Because of you our parade remains a wonderful community tradition! I hope to see all of you next year!

Sincerely Kathy Poston

A Broader Approach on Tax Relief Needed

A journalist's reporting for a recent story made waves at the capitol, upending the Governor's feel-good press tour touting policy he's perceives as progress. The Department of Revenue Services, the CT Mirror reported, would announce a July 1 increase to the state's tax on diesel fuel.

The tax increase—maybe in the neighborhood of 10 cents per gallon—will occur through an annual adjustment set forth in state statute, and this year it intersects with skyrocketing wholesale fuel prices.

This increase will drive the cost of goods and services higher, and combined with a new tax on trucks that's set to begin an. 1, will "tax Connecticut consumers at a point where they can least afford it" one economist grimly projected.

That prediction isn't wrong. Residents in an already-expensive Connecticut have felt the squeeze of high gas prices and inflation for some time now.

As I write this, the Governor is likely mulling what to do about the emerging diesel tax issue. Earlier this year, I proposed suspending the diesel tax altogether. Democrats passed on the suggestion. As you're likely aware, I've also advocated for eliminating that new truck tax before it goes into effect.

I offered both concepts again on June 7, joining Republicans in proposing a second package of broad tax relief that would give Connecticut residents a little more breathing room.

Our plan would provide more than \$740 million in new tax relief, focusing on:

- An income tax reduction for the working- and middle-class;
- Expanding the gas tax holiday to diesel;
- Eliminating the new highway use tax on trucks;
- Reducing the sales tax,
- Eliminating the meals tax;
- Relief for energy costs such as heating oil.

You can view the plan here: affordableconnecticut.com

It's not unlike the plan \$1.2 billion relief plan we offered during the legislative session. Now that the financial challenges faced by their constituents is more acute, perhaps Democrats will listen this time.

We can supply this tax relief without budget cuts. It would be provided solely by using the state's projected \$956 million fiscal-year surplus. What's more, it can be done while preserving the state's \$3.3 billion Rainy Day Fund while also continuing to contribute \$2.85 billion to pay down pension debt.

In other words, it's a reasonable plan that state government can afford.

We're holding rallies throughout the state to gain more support for our plan. By the time you read this, we will have held events in both East Haven and Wallingford. Check out the web site mentioned above to see the schedule and to add your voice to this timely conversation.

By the time this is published, it's possible that the Governor will have taken action on the anticipated diesel tax increase. While such news would be good, it would also be a continuation of a faulty approach to managing the smoldering affordability crisis that's upon us. Instead of putting out fires as they pop up, it's time we blanket the problem with a broad plan that provides short and long-term relief.

Representative Vincent Candelora House Republican Leader 86th District North Branford, Durham, Guilford, Wallingford

Food for Thought
When a hobo told Andy he should just let Opie "decide for himself" how

he wanted to live... Andy had these words of Mayberry wisdom.

"No, I'm afraid it don't work that way. You can't let a young'n decide for himself. He'll grab at the first flashy thing with shiny ribbons on it.

Then, when he finds out there's a hook in it, it's too late. Wrong ideas come packaged with so much glitter that it's hard to convince them that other things might be better in the long run.

All a parent can do is say 'Wait' and 'Trust me' and try to keep temptation away."

Somehow... we have lost this basic truth.

Recycling News

The Next Electronics Drop Off will be on July 9th.

The event will be held at Public Works from 9am to noon. We will be collecting electronics such as TVs, computers, small appliances and almost anything that has a plug. We cannot accept smoke detectors, A/C's or dehumidifiers.

We will also be taking mattresses (clean and dry), batteries and used oil for free.

There is a small fee for recycling propane tanks in reusable condition.

When you bring us your mattress, you are creating jobs for those who take them apart to recycle the components.

Hazwaste Central is now open.

Located right behind the Regional Water Authority's headquarters, 90 Sargent Drive, New Haven

Hours are 9am to noon - Saturdays through October 29th.

Gather your household chemicals so they can be disposed of properly.

Accepted: Waste oil, antifreeze, cleaners, pool chemicals, oil-based paints, pesticides, compact fluorescent light bulbs and much more.

The water company collects these items so they don't go into the trash and pollute your local drinking water.

To find the complete list and the registration form go to Hazwaste at rwater.com or call 203-401-2712.

Not Accepted at HazWaste Central: Asbestos, Commercial Waste, Electronics, Fire Extinguishers, Gas-Grill Size Propane Tanks, Medicine, Needles, Smoke Detectors.

Keep Your Neighborhood Cleaner and Safer

Please store totes away from street and sidewalks after pickup.

Unacceptable Curbside Waste Reminder

Construction debris (such as toilets, concrete blocks, roofing material), propane tanks, TVs, monitors, printers, home cleanouts may not be placed curbside.

These items will not get picked up; please dispose/recycle properly.

Please remember to leave a space between your trash containers so the pickup arm can fit to lift the containers to the truck.

The Solid/Hazardous Waste and Recycling Committee is looking for new members.

We are on the lookout for someone who is concerned about recycling and is willing to spend a little time each month helping out at our recycling events.

We especially need someone who can help our schools with recycling.

For more information about recycling in North Branford you can check out North Branford's Recycling Committee's website: townofnorthbranfordct.com/government/boards-commissions/hazardous-wasterecycling-committee.aspx

or our Facebook page: North Branford CT Hazardous Waste & Recycling Committee
